## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 102***

Claims 19-25 are rejected under 35 U.S.C. 102(b) as being anticipated by Oristein for the reasons set forth in the office action of 3/16/05.

Applicant's has amended his claims where the wagering areas are "uniquely identified for the proposition bet". In Ornstein his letters "c" and "e" are considered to "uniquely identify" these wagering areas. As set forth in the previous office action these player betting areas and wagering areas "correspond" in that they both have indicia on the wagering board that can meet this limitation. The Craps wagers of Oristein function as indicia like the player betting areas. In short, "corresponding" is insufficient to distinguish over the prior art.

### ***Conclusion***

Applicant's arguments filed 2/17/06 have been fully considered but they are not persuasive for the reasons set forth above in the grounds for rejection.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
